Portofino Restaurant and Banquet Facility, located on the Detroit River with a beautiful view of the Detroit skyline and Canadian Coast has served the downriver community for 30 years. With indoor seating for 800 and out door seating for 300, Portofino has long been a favorite location for parties of every theme and focus. In addition to dining on our 120 passenger cruise ship, we offer business meeting alternatives in a small private dining room or Senior Prom destination for several hundred, Portofino offers the best in special event facilities. Portofino is not just another banquet hall. With on going lunch and dinner service 350 days out of the year, we have a full time experienced banquet department, culinary team and service staff to make any event successful.

Portofino's business plan for homecomings and proms is to create a "ONE STOP SHOP" that simplifies the planning for the student, class leadership and administration.

Imagine the Simplicity

Our Formal Wear Partner goes to the school.

Male students can pick out their favorite formal wear at school and drop it off after the event, all at the best market prices.

Safe and reliable luxury bus service to and from the school

This transport system is designed to eliminate the possible dangers of students traveling to and from the most important events of their high school days. Busses leave and return at a specified time.

Searchlight and Red Carpet Welcome

When the students arrive at Portofino they are greeted by a searchlight and red carpet treatment. They will feel like movie stars.

Ultimate in Digital Interactive Media

TJ Monte Productions provide the most comprehensive video, audio and lighting package that is available in today's entertainment industry. It includes two DJs, lasers, trance lighting, interactive ten-foot video screens and smoke machines.

Students will also receive a DVD of the night with all the excitement of the music and friends as a keepsake

Should you choose another DJ a separate package must be established for the audio/visual portion of the prom

The Dining Experience

All students will be given the opportunity to make reservations to sit with groups of up to 10 or at a table of two.

Students will be seated with beautiful accommodations including tablecloths, chair covers with school or theme colors

A balloon arch or a balloon drop is included as a decoration either in the dining room or main dance gallery.

Dinner selections include all beverages, salad, entrée consisting of a combination plate (filet of tenderloin and boneless chicken breast or filet of tenderloin of beef and seafood item) or an RSVP preorder on several different selections. Desserts may be served, as dessert tables featuring bite size eclectic treats or an individual dessert served following the entrée.

Four members of the class leadership and four members of Administration will be offered a food show to select the event entrees and desserts.

Decoration

The restaurant will be closed for decorating preferences the day of the event. Flowers are included on tables or balloon drop or arch may be substituted.

Security

The Portofino Experience will include security to maintain the safety of all students and faculty at all times. Security will be based on agreed standards between Portofino and School Administration.

We Partner with you to raise Money

Portofino will help you raise money for your class prom. Imagine winning a Boat Cruise for a graduation party complete with DJ, pizza and a beautiful cruise down the Detroit River for 80 of your friends and family aboard our USCG approved 66 foot "FRIENDSHIP". We will furnish you the tickets. An example-sell 500 tickets at \$10 per ticket and you would make \$2500 with no expense to you. The FRIENDSHIP has two restrooms, upper and lower deck and a full bar for adult beverages.
